

With commitment and enthusiasm to success

795 years of CLOOS

Haiger, 10 December 2020 – At the beginning of December, Carl Cloos Schweißtechnik GmbH in Haiger honoured 30 employees for their many years of service. The anniversary celebrants look back at a total of 795 years with the company. "We can be proud of this, because the comprehensive know-how and the wealth of experience of our employees are the basis for the success of our company," said Managing Director Sieghard Thomas.

In his speech, Thomas thanked the long-standing employees for their commitment and dedication. He greatly appreciated the employees' attachment to the company. "Many jubilees have already completed their training at CLOOS and have remained loyal to the company to this day," Thomas emphasised. "With your enthusiasm, you actively drive innovations and further developments of our technologically highly demanding products."

Due to the COVID-19 pandemic, the traditional anniversary celebration had to be cancelled this year. Instead, the employees were honoured in small groups. A sufficient safety distance could be maintained in the large production hall. With face and nose protective masks, the jubilees received gift baskets with delicacies from the region. Despite the unusual circumstances, the long-time employees shared some anecdotes and stories from the past. In addition to Sieghard Thomas, Human Resources Manager Michaela Hanz and Works Council Chairman Armin Bohn congratulated them.

The following employees celebrated their 40th anniversary: Frank Bastian, Reiner Bockemühl, Reimund Kloft, Andreas Krumm, Dirk Michel, Monika Roth-Eisenkrämer, Frank Scheid, Ralf Schenk, Jörg Schmitz, Roger Schneider and Stephan Stöcklein.
