**Confirmation on RoHS Directive 2011/65/EU and its extensions
2015/863/EU and 2017/2102/EU on the restriction of the use of
certain hazardous substances in electrical and electronic equipment**

We hereby confirm the compliance of our products with the RoHS Directive 2011/65/EU and 2015/863/EU of the European Parliament and of the Council on the restriction of the use of hazardous substances in electrical and electronic components and equipment and the compliance with the maximum concentration allowed in homogeneous materials.

We confirm that our products are manufactured in compliance with the directives according to our current state of knowledge and the declarations of our suppliers.
